

Dear Interpreter

Most people take inclusion in family discussions or events for granted. As interpreters, we have all come across Deaf people who grew up not knowing what was being said at a family dinner table, a cousin's wedding, or a grandparent's funeral.

Because the American with Disabilities Act does not provide for any of the above-mentioned events to be interpreted at no cost to the individual, members of the Board of Directors of D.E.A.F., Inc would like to introduce you to a non-profit organization designed to meet these needs. The primary purpose of D.E.A.F., Inc. is to centralize a request system for consumers to obtain qualified interpreters, without cost to them, and to formalize the process of pro bono services.

This is how the organization works. First, the deaf consumer will fill out an application online at www.deafinc.net or phone 770-252-5223 and request one to be sent by mail. Then, the application will be reviewed by the members of the Board of Directors. During these reviews, both financial need and priority will be considered. Once an application is approved for services, interpreters will be contacted to determine availability, and D.E.A.F., Inc. will pay all costs associated with the interpreting service. If one chooses to provide pro bono services, D.E.A.F., Inc. will also provide the necessary documentation for tax purposes.

Please consider becoming a partner with D.E.A.F., Inc. If you are interested in offering your time and services as an interpreter or by making a financial donation, please contact us at www.deafinc.net.

Always, we thank you for the work that you do and for your support.

Sincerely,

Members of the Board of Directors
Deaf Equal Access Foundation, Inc.
